A photograph of a young couple in an urban setting. The woman, on the left, has long dark hair and is wearing a vibrant red traditional Chinese garment with intricate gold and blue patterns. She is looking towards the man with a playful, slightly pouting expression. The man, on the right, has a beard and is wearing a black suit jacket over a white shirt. He is looking back at her with a wide-eyed, open-mouthed expression. The background is a blurred cityscape with various buildings and trees under an overcast sky.

Small weddings mean less wastage

Our idea is that if we are able to reduce each wedding to ~1 hour and 100 lbs of waste.

We would end up saving ~58,000,000 lbs from the landfill each year! And we can do all this without compromising the wedding experience

We align our vendors to the
socially good values of our couples
